

Pilot Club of Madison

To Students & Counselors

The Pilot Club of Madison is a community service organization. The ongoing service-focus for our parent organization, Pilot International is brain-related disorders. The purpose of this service is to promote an awareness of brain disorders and to improve the lives of those affected through education, research and financial support.

Therefore, we are offering a scholarship to a graduating senior interested in a career dealing with brain-related disorders. We encourage any student interested in this field who has a 2.0 GPA or above to apply. This scholarship is for \$500.00 and may apply toward either college or vocational training.

The application deadline will be _____.

A personal interview will be conducted. Please send completed application to member of the scholarship committee.

Thank You.
